

**GIS Technician Intern:** The City of Whitewater is accepting applications for a GIS Technician Intern position in the Neighborhood Services Department for the 2013 summer season.

Duties will include (list is not comprehensive):

- Collection, post-processing/correction, and conversion to GIS of physical infrastructure features of the City using Trimble GeoXH global positioning system (GPS).
- Create maps and exhibits as needed by City departments, partners, and the public.
- Assist with updating the City's spatial data.
- Assist GIS Technician with field work which may include surveying, inspection, coordination with contractors and other departments, etc.

Qualifications:

- Candidates should be enrolled in an associate's, bachelor's or master's degree in geography, forestry, urban planning, civil engineering or similar program. Alternatively, the candidate may hold one of these degrees.
- Candidates should have demonstrated experience with ESRI ArcGIS 10.0 software, as well as Microsoft Excel, Word, PowerPoint and Access.
- Experience with the following is a plus: GPS Unit, Geodatabase experience, and file conversion to ESRI formats.
- Candidates must be detail-oriented and have excellent organizational skills, possess strong oral and written communication skills, and must be reliable and able to work independently.
- Candidates must have the ability to problem solve in the field with common sense and efficiency.
- Candidates must have the ability to work outdoors in variable weather conditions.

Hours: 8:00 AM to 4:30 PM, Monday-Friday

Timeline: May-September
